Horticultural Apprenticeship

Location: Brookhaven - Coventry

Company: Boningale Ltd

Job Description

Brookhaven are part of the Boningale Group, one of the leading suppliers to the British landscaping industry. From our 5-acre site in Allesley Coventry, we produce and contract-grow a variety of perennial plants and shrubs. We have an Apprenticeship opportunity for a Plant Nursery Operative to join our small team in a hands-on role with plant production, plant health and dispatch on our nursery whilst studying a Level 3 Horticulture Production qualification.

Job Responsibilities:

- This is a physically demanding role completing a variety of tasks to a specified standard within specified timeframes.
- Potting - Working as part of the potting team to ensure good quality plants at an acceptable rate.
- Dispatch - Working as part of the packing team to ensure plants are prepared for customers in a clean, labelled, and correct manner. Paying attention to details and quality at all times.
- Plant Care - Assisting with weeding, trimming, plant moving and watering.
- General Maintenance - Ensure that the nursery is kept clean and tidy at all times.

Attributes Required:

- You will need to be reliable, flexible and punctual with a good work ethic.
- You should enjoy working as part of a team and have a positive 'can-do' approach.
- Have good attention to detail with speed and accuracy.
- Be happy working in varying conditions.
- Experience in a similar role/plant knowledge is not essential as training can be provided.

Salary: NMW

Working Hours: 40 hours per week, worked between; 8.00 am – 5.00 pm Monday to Friday

Benefits: 23 days holiday, plus bank holidays, increasing after 5 years' service. Healthcare Plan. Pension.

If you have the required skills and experience to join our fast-growing team here at Boningale Ltd, please email your application through to jenny.ward@boningale.co.uk quoting vacancy reference 21/005.
